NENAGH PARISH HAS A BRAND NEW WEBSITE!

After much deliberation, brainstorming, focus groups, expensive market research, long nights and longer days, we are delighted to unveil your brand new parish website!! Following some technical manipulation we are happy to confirm that, contrary to a previous announcement, the site will remain at www.nenaghparish.ie

Aside from the traditional features that include Mass Readings, the webcam, RIP notices, and photo galleries, we want to share news of the stepping up or introduction of some new elements;

1. A dedicated **News** page which will be updated daily with announcements of everything from Parish events (post-pandemic) to the latest blogs and videos from our priests.
2. A **Parish Shop** page - with an emphasis on shopping local, we will share with you all the latest items available in the shop inside St Mary of the Rosary. You will eventually be able to order online!
3. Special sections dedicated to the **Sacraments of Communion for the First Time and Confirmation** - these two pages will become active information portals for schools, children and their parents in the months leading up to the 'big day'.
4. A **Donations & Collections** page to allow parishioners to contribute to the running of the Parish in this increasingly cashless society.
5. A page devoted to the **Safeguarding** programme in our Diocese and Parish. Policies, updates and contact details will be published here.
6. With the increasing emphasis on building a sense of community and joined-up pastoral activity with neighbouring parishes, we have a page dedicated to the Ódhrán **Pastoral Area**.

Finally...

This is your Parish website, built by Parish Office Staff with the help of volunteers. We encourage your active engagement in the following ways.

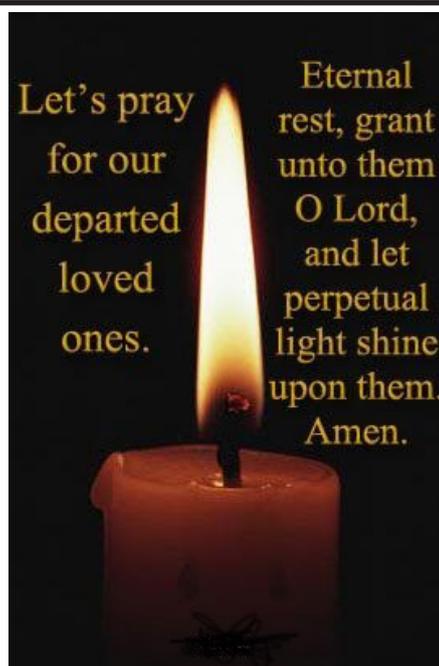

- Make it your go-to place for everything that's new in Nenagh Parish.
- Use the site to check for updates and information on everything from Pastoral Area Mass times to the Parish Priest's latest blog.
- If you are part of a Parish group and you have an event to share (whether it's virtual or in person post-pandemic) then let us know and it will appear on the News feed.
- If you have suggestions as to how we can improve or enhance the site do let us know - mark your communication for the attention of the **Website Team**.

Life Lessons - Don't wait for six strong men to take you to church.

Diocesan Day of Remembrance - 20 November 2020

Because 2020 has been a year like no other, the Diocese of Killaloe, in collaboration with the Anglican Diocese of Limerick, Killaloe & Ardfert, has decided to hold a Day of Remembrance on November 20th for those who have died in 2020. This Day aims to acknowledge those who have died this year and those who have been bereaved through the death of loved ones. It includes the remembrance of those who have died as a result of the global pandemic, as well as those who have died from other causes during the year. The day will help us to remember our own beloved dead but also acknowledge and pray for those whose passing and mourning has been so cruelly affected by the COVID protocols in hospitals and nursing homes and around funerals.

The focus of the Remembrance Day will be on short moments of prayer in which everyone can participate at home. These include the following:

- A short radio message and blessing from Bishop Fintan and Bishop Kenneth Kearon (Church of Ireland) will mark the beginning of the day's prayer. (This will also be available on diocesan and parish websites, on Facebook and other social media platforms).
- A Diocese-wide moment of silence and individual prayer at 12 noon to remember the dead and bereaved. The Angelus bell will be a reminder of this moment.
- A short prayer time to be broadcast on Clare FM and Tipp FM on Friday evening around 7 p.m.
- People are invited to light candles and place them in the window in the evening as an act of remembrance.
