A NEW WAY TO SUPPORT NENAGH PARISH

During the past year, our parish, like so many other organisations and individuals in society, has come under enormous financial pressure. The rolling lockdowns have eliminated one of our key sources of income, namely the weekend pouch collections. This poses a challenge to our ability to meet ongoing financial responsibilities such as heating, electricity, insurance, essential maintenance, the parish webcam, newsletter printing, subsistence, and the other unexpected costs of life. We are only too well aware that much greater levels of suffering are being experienced all across society and in Nenagh Parish we remain ready to assist in any way we can, as we have done all year.

To help assist those parishioners who might still wish to contribute on a weekly basis to Nenagh Parish in lieu of the (currently absent) pouch collection, we have installed a secure new *Tap to Donate* facility in the rear of St Mary of the Rosary Church. This is a secure and user-friendly option provided by **Payzone**. At present, the only available option is a five euro contribution but we have requested a two euro machine, as soon as it becomes available.

We warmly thank you for your continued generosity and understanding.

Catholic Grandparents Association

You are invited to join us for Mass (via the webcam) on churchcamlive.ie/cashel on the second Tuesday of each month at 10.30am. After Mass we pray the Rosary and include the Prayers of the Catholic Grandparents Association. If you would like to include an intention in this Mass, email cashelparish@gmail.com
 The theme of each Mass is to keep prayer at the heart of family life and to pass on the faith to the next generations. Please join us on 9 March.
