Praying with Exam Students

From Wed. June 9th until the conclusion of the state exams the 8am Mass will be offered for all exam students. Also, a special candle will be lit in St. Mary of the Rosary church for the duration of the exams. If you wish to place a name of someone sitting the exams please use the basket alongside the candle and we will include each one in our prayers at this time. There is a Prayer Card to the Holy Spirit which we will include in our Masses for each one sitting an exam. Please take a card and even bring some to those who would like to be part of our supporting of all who are sitting exams.

An Exam Prayer

God, stay close to me today.
Guide my study and light my way.
Ease my nerves and comfort me
with peace and love so tenderly.
May I remember the things I need.
May I strive to give my best
and do myself justice in each test.
During the moments I may feel
stressed
I'll try to remember the ways I am
blessed.
And if there are times that I feel at sea
help me to trust that you're here with
me.

Nenagh & Ballina-Killaloe Dementia Cafe Virtual Information Night

We are hosting an information night on Monday 14th June at 7pm to raise awareness of two new dementia cafes in Nenagh and Ballina-Killaloe with keynote speaker Sinéad Grennan of the Irish Dementia Café network.

A dementia café is a monthly meeting that provides support for people who are living with dementia and their families.

It provides an opportunity for people to share personal experiences, and get reliable information on dementia care and supports in a safe, supportive, and engaging environment.

This information session will give more information on the upcoming dementia cafés in your area, where and when they will take place, be it virtually, or when allowed, in a face-to-face setting.

People living with dementia, their family and friends, healthcare professionals, and anyone who would like to be supportive of people living with dementia are all welcome to attend. If you would like to attend this free online information session, register [HERE](#) for link to Zoom to join us on the night!
