## Pope Francis' Prayer Intention for July 2021 Social Friendship

*Pope Francis delivers his Special Intention for July by video*

The Bible says that whoever finds a friend has found a treasure. I would like to invite everyone to go beyond their groups of friends and build social friendship, which is so necessary for living together well. We especially need to have a renewed encounter with the most impoverished and vulnerable, those on the peripheries. And we need to distance ourselves from populisms that exploit the anguish of the people without providing solutions, proposing a mystique that solves nothing. We must flee from social enmity which only destroys, and leave "polarization" behind. And this isn't always easy, especially today when part of our politics, society and media are bent on creating enemies so as to defeat them in a game of power. Dialogue is the path to seeing reality in a new way, so we can live with passion the challenges we face in constructing the common good. Let us pray that, in social, economic, and political situations of conflict, we may be courageous and passionate architects of dialogue and friendship, men and women who always hold out a helping hand, and may no spaces of enmity and war remain.

### **Irish Church Music Association Summer School goes virtual**

For the first time ever, this year's Irish Church Music Association (ICMA) Summer School will be hosted online from Wednesday 7th to Saturday 10th July. This year's theme is 'Songs of Love, Faith, Trust and Praise.' Each session of the Summer School will begin at 8 p.m. each day on Facebook Love and You Tube. For those unable to tune in live, a recorded version of each session will be available on the ICMA website. This is a great opportunity for anyone involved in church music to link in and learn some new music.
