## SEASON OF CREATION 2021

### THE HAZEL NUT

'God showed me little things, the size of a hazel nut, lying in the palm of my hand. I looked upon it and wondered, 'What might this be?' And I was answered, 'It is all creation'. I marvelled how it could last, for I thought it might suddenly fall to nothing, it was so small. And I was answered. 'It lasts and ever shall last, for God loves it.' In this little hazel nut I saw three truths: the first is that God made it, the second is that God loves it; and the third is that God keeps it safe.'

### Odhran Pastoral Area

Thanks to the members of the Pastoral Councils of the six parishes in Odhran Pastoral Area for taking the time to discuss the consequences of the recent diocesan changes and for putting forward suggestions for devising a workable schedule. The priests of the Pastoral Area will meet in the coming week to progress this further. It is envisaged that at that meeting they will discuss the proposals and put forward a recommendation so that we have a decision early in October. The new schedule will be publicised well in advance of commencement on the first weekend of Advent (November 27th / 28th).

### Sponsored Walk

Congratulations to the organisers and to all who took part in the Walk last Sunday to raise money for Mary's Meals.

### Life Lessons
