PRAYER FOR COP26 Loving God,

We praise your name with all you have created. You are present in the whole universe, and in the smallest of creatures. We acknowledge the responsibilities you have placed upon us as stewards of your creation. May the Holy Spirit inspire all political leaders at COP26 as they seek to embrace the changes needed to foster a more sustainable society. Instil in them the courage and gentleness to implement fairer solutions for the poorest and most vulnerable, and commit their nations to the care of Our Common Home. We ask this through Our Lord Jesus Christ your Son. **Amen**

TRÓCAIRE EMERGENCY APPEAL: THIS WEEKEND

A terrible hunger crisis is raging across East Africa, driven by escalating climate change, conflict, swarms of desert locusts, and Covid. Over 30 million children, women, and men are being pushed into starvation. People and their livestock are dying. Without emergency food and aid, many more won't survive. Lives depend on our ability to reach them. South Sudan, Somalia, Ethiopia, and the state of South Kordofan in Sudan especially are being brought to their knees by sparse and delayed average rainfalls which are the result of climate change. A grim third wave of Covid and regional conflict are making matters worse. The very young, very old, and nursing mothers are so vulnerable. Babies. Children. Women. Men. And tiny infants whose mothers were killed in outbreaks of appalling violence. With your help it is not too late to reduce tragic loss of life and ease suffering.

How can the Nenagh Parish Community help?

The Irish Bishops Conference has agreed for an Emergency Collection to take place in all Parishes this weekend. Our Parish's Emergency Collection will support Trócaire's work in the countries of East Africa and in nearby countries similarly affected, and rush urgent food, water, and lifesaving aid to people who desperately need your love now. Please help if you can.

Art Exhibition

"Boat Light" by artist **Josephine Geaney** showing at Nenagh Arts Centre this November. Official opening by Arts Officer Melanie Scott on **10th November at 6.30pm.**

These paintings were created to be uplifting and a celebration of our resilience having come through the last two years of covid. Josephine would like the paintings to lift one's spirit which is expressed through her use of colour, texture and freedom of application. The dominant colours in the paintings are orange, green and blue. These colours symbolize strength, resilience, joy, positivity, hope, peace and calm, while the boat represents survival and new beginnings.
