Trocaire says... Thank You

'On behalf of the families and communities who benefit from your generosity, I would like to offer a heartfelt thank you for your support for our recent East Africa Appeal. Thanks for your generosity toward the Emergency Collection, to aid the urgent work of Trocaire and our hardworking local partners in East Africa to prevent heartbreaking suffering and tragic loss of life. We know that this has been a particularly challenging period where the COVID19 pandemic is affecting every aspect of life, both in Ireland and in poorer countries. The empathy you have shown for families caught in East Africa's hunger crisis will never be forgotten. At a time when it feels like this world needs help and healing more than ever, thank you for your compassion and support'. **Caoimhe de Barra** (CEO, Trocaire).

Volunteer with Aware

Aware is the national organisation providing free support, education and information services to those impacted by anxiety, depression, bipolar disorder and related mood conditions. Aware was founded by Dr McKeeon and a team of volunteers, many of whom had their own experience of depression or bipolar disorder, and who wanted to support others. That is still Aware's ethos today, volunteers are the backbone of the organisation. To find out more please visit <https://www.aware.ie/get-involved/volunteering/>
