## Thank You

In today's Psalm 116 we are presented with the words 'Proclaim the Good News'. As I conclude my time here in the Odhrán Pastoral Area these words capture in many ways the sentiment that I wish to express to each person reading these few lines. In so many ways I have witnessed the living out of the Good News in people's lives and I have been graciously welcomed into those moments. To each and every one who has made the past ten years so fulfilling for me as I tried to live the Good News as a priest, I can only say Thank You. I have been blessed in my ministry and I enjoyed my time here in the Odhrán Pastoral Area. I am fortunate in being able to say that for all of the appointments I have received in my life as a priest of Killaloe Diocese I have found fulfilment. May the Good Lord continue to guide us all and may each day we are blessed with be a day filled with gratitude.

Thank You.

Fr. Des
